BY THE PRESIDENT OF THE PHILIPPINES

PROCLAMATION NO. 396

TO THE PEOPLE OF THE PHILIPPINES:

It is with the deepest sorrow that I proclaim a state of mourning for the Nation on the death of our beloved leader, President RAMON MAGSAYSAY.

The tragic loss which we have suffered is as sudden as it is most untimely. President Magsaysay, in the few years that God gave him to serve our people, made himself a true brother and earnest defender of the common man. He had dedicated himself to his official tasks with an exemplary zeal, earning for himself the love and adulation of his countrymen whose welfare he had been destined to promote to his last breath.

It is the measure of a man's greatness that he leaves a void that is hard to fill upon his passing. We realize now the magnitude of our loss in the all-too-real emptiness that seemed to have descended upon our Nation when the news of his death spread throughout the Islands, on native soil which still freshly bears the marks of his footprints and in every Filipino's heart which has yielded to his intense nationalism.

We must face the future with courage. The President's life had been consummated in his tireless devotion to the welfare and future glory of the Philippine Republic. To that ideal, we should now endeavor to dedicate our every effort. He will be with us in spirit as he once inspired us with his presence.

NOW, THEREFORE, I, Carlos P. Garcia, President of the Philippines, do hereby appoint Friday, March twenty-second, the day of the funeral service for the dead Leader, and as a day of prayer throughout the Philippines. I enjoin our people who cannot personally attend the burial ceremonies in the City of Manila to assemble in their respective places of worship, there to bow their heads in submission to the will of Almighty God, and to pay their tribute of love, reverence, and respect to the memory of our great and good President whose passing we all mourn.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the seal of the Republic of the Philippines to be affixed.

Done in the City of Manila, this 18th day of March, in the year of Our Lord, nineteen hundred and fifty-seven, and of the Independence of the Philippines, the eleventh.

PROCLAMATION NO. 398

AUTHORIZING THE ELKS CEREBRAL PALSY PROJECT, INC., TO CONDUCT A NATIONAL EDUCATIONAL AND FUND CAMPAIGN DURING THE PERIOD FROM APRIL 1 TO MAY 31, 1957

WHEREAS, some 1,400 babies are born yearly in the Philippines afflicted with cerebral palsy, a condition which impairs and causes complete loss of muscular control, rendering those afflicted with it unable to take care of themselves;

WHEREAS, unless these cerebral-palsied children are given proper occupational and physical therapy, they are liable to grow up as cumbersome liabilities to society, but if accorded the necessary care, they can be improved to such a degree that their parents and the community in general may be completely relieved of the burden of attending to their needs and they themselves may even become valuable assets to the nation;

WHEREAS, there now exists a dearth of authoritative knowledge concerning the nature and treatment of cerebral palsy and at present only the Elks Cerebral Palsy clinic, built by the Elks Cerebral Palsy Project, Inc., out of funds solicited during the 1956 fund drive, is being operated in this country for the rehabilitation of the cerebral-palsied;

WHEREAS, it is therefore evident that there is an urgent need for an intensive and extensive two-pronged campaign to educate the people on various aspects of cerebral palsy with a view to minimizing, if not totally eliminating, its deleterious effects, and to raise funds for the operation and expansion of present facilities at the Elks Cerebral Palsy clinic and the purchase of adequate medicine for the treatment of those afflicted with it; and

WHEREAS, the Elks Cerebral Palsy Project, Inc., has initiated such a campaign and should be lauded for undertaking the selfless task of sponsoring a drive to help unfortunate cerebral palsied individuals, in which campaign it fully deserves the support of the government and the entire nation;

NOW, THEREFORE, I, Carlos P. Garcia, President of the Philippines, by virtue of the authority vested in me by law do hereby authorize the Elks Cerebral Palsy Project, Inc., to conduct a national educational and fund campaign during the period from April 1 to May 31, 1957. I call upon all citizens and residents of the Philippines, irrespective of race or creed, to support the humanitarian campaign by giving generously of their means to alleviate the miserable plight of those unfortunate individuals afflicted with cerebral palsy.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the seal of the Republic of the Philippines to be affixed.

AUTHORIZING THE ELKS CEREBRAL PALSY PROJECT, INC. TO CONDUCT A NATIONAL EDUCATIONAL AND FUND CAMPAIGN DURING THE PERIOD FROM MAY 1 TO JUNE 30, 1958

WHEREAS, some 1,400 babies are born yearly in the Philippines afflicted with cerebral palsy, a condition which impairs and causes complete loss of muscular control, rendering those afflicted with it unable to take care of themselves;

WHEREAS, unless these cerebral-palsied children are given proper occupational and physical therapy, they are liable to grow up as liabilities to society, but if accorded the necessary care, they may be improved to such a degree as to relieve their parents and the community in general of the burden of attending to their needs and they themselves may even become valuable assets to the nation;

WHEREAS, it is therefore evident that there is an urgent need for an intensive and extensive two-pronged campaign to educate the people on various aspects of cerebral palsy with a view to minimizing, if not totally eliminating, its deleterious effects, and to raise funds for the operation and expansion of present facilities at the Elks Cerebral Palsy clinic and the purchase of adequate medicine and specialized equipment for the treatment of those afflicted with it;

PROCLAMATION NO. 579

AUTHORIZING THE ELKS CEREBRAL PALSY PROJECT, INC., TO CONDUCT A NATIONAL EDUCATIONAL AND FUND CAMPAIGN DURING THE PERIOD FROM MAY 1 TO JUNE 30, 1959

WHEREAS, some 1,400 babies are born yearly in the Philippines afflicted with cerebral palsy, a condition which impairs and causes complete loss of muscular control, rendering those afflicted with it unable to take care of themselves;

WHEREAS, unless these cerebral-palsied children are given proper occupational and physical therapy, they are liable to grow up as liabilities to society, but if accorded the necessary care, they may be improved to such a degree as to relieve their parents and the community in general of the burden of attending to their needs and they themselves may even become valuable assets to the nation;

WHEREAS, there now exists a dearth of authoritative knowledge concerning the nature and treatment of cerebral palsy and at present only the Elks Cerebral Clinic, built by the Elks Cerebral Palsy Project, Inc., out of funds solicited during the 1956 and 1957 fund drives, operates in this country for the rehabilitation of the cerebral palsied;

WHEREAS, It is therefore evident that there is an urgent need for an intensive and extensive two-pronged campaign to educate the people on various aspects of cerebral palsy with a view to minimizing, if not totally eliminating, its deleterious effects, and to raise funds for the operation and expansion of present facilities at the Elks Cerebral Palsy Clinic and the purchase of adequate medicine and specialized equipment for the treatment of those afflicted with it;

WHEREAS, the Elks Cerebral Palsy Project Inc., has initiated such a campaign and should be lauded for undertaking the selfless task of sponsoring a drive to help unfortunate cerebral-palsied individuals, in which campaign it fully deserves the support of the government and the entire nation;

NOW, THEREFORE, I, Carlos P. Garcia, President of the Philippines, by Virtue of the authority vested in me by law, do hereby authorize the Elks Cerebral Palsy Project, Inc., to conduct a national educational and fund campaign during the period from May 1 to June 30, 1959. I call upon all citizens and residents of the Philippines, irrespective of race and creed, to support the humanitarian campaign by giving generously of their means to alleviate the miserable plight of those unfortunate individuals afflicted with cerebral palsy.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the seal of the Republic of the Philippines to be affixed.

PROCLAMATION NO. 668

AUTHORIZING THE ELKS CEREBRAL PALSY PROJECT, INC., TO CONDUCT A NATIONAL EDUCATIONAL AND FUND CAMPAIGN DURING THE PERIOD FROM MAY 1 TO JUNE 30, 1960

WHEREAS, some 1,400 babies are born yearly in the Philippines afflicted with cerebral palsy, a condition which impairs and causes complete loss of muscular control, rendering those afflicted with it unable to take care of themselves ;

WHEREAS, unless these cerebral-palsied children are given proper occupational and physical therapy, they are liable to grow up as liabilities to society, but if accorded the necessary care, they may be improved to such a degree as to relieve their parents and the community in general of the burden of attending to their needs, and they themselves may even become valuable assets to the nation;

WHEREAS, there now exists a dearth of authoritative knowledge concerning the nature and treatment of cerebral palsy and at present only the Elks Cerebral Palsy Clinic, built by the Elks Cerebral Palsy Project, Inc., out of funds solicited during the 1956 and 1957 fund drives, operates in this country for the rehabilitation of the cerebral palsied;

WHEREAS, it is therefore evident that there is an urgent need for an intensive and extensive two-pronged campaign to educate the people on various aspects of cerebral palsy with a view to minimizing, if not totally eliminating its deleterious effects, and to raise funds for the operation and expansion of present facilities at the Elks Cerebral Palsy clinic and for the purchase of adequate medicine and specialized equipment for the treatment of those afflicted with it;

WHEREAS, the Elks Cerebral Palsy Project, Inc., has initiated such a campaign and should be lauded for undertaking the selfless task of sponsoring a drive to help unfortunate cerebral-palsied individuals, in which campaign it fully deserves the support of the government and the entire nation;

NOW, THEREFORE, I, Carlos P. Garcia, President of the Philippines, by virtue of the authority vested in me by law, do hereby authorize the Elks Cerebral Palsy Project, Inc., to conduct a national educational and fund campaign during the period from May 1 to June 30, 1960. AUTHORIZING THE ELKS CEREBRAL PALSY PROJECT, INC. TO CONDUCT A NATIONAL EDUCATIONAL AND FUND CAMPAIGN DURING THE PERIOD FROM MAY 1 TO JUNE 30, 1961

WHEREAS, some 1,400 babies are born yearly in the Philippines afflicted with cerebral palsy, a condition which impairs and causes partial or complete loss of muscular control, rendering those afflicted with it unable to take care of themselves;

WHEREAS, unless these cerebral-palsied children are given proper occupational and physical therapy, they are liable to grow up as liabilities to society, but if accorded the necessary care, they may be improved to such a degree as to relieve their parents and the community in general of the burden of attending to their needs and they themselves may even become valuable assets to the nation;

WHEREAS, there now exists a dearth of authoritative knowledge concerning the nature and treatment of cerebral palsy and at present only the Elks Cerebral Palsy Clinic, built by the Elks Cerebral Palsy Project, Inc., out of funds solicited during the 1956 and 1957 fund drives, operates in this country for the rehabilitation of the cerebral palsied;

WHEREAS, it is therefore evident that there is an urgent need for an intensive and extensive two-pronged campaign to educate the people on various aspects of cerebral palsy with a view to minimizing, if not totally eliminating, its deleterious effects, and to raise funds for the operation and expansion of present facilities at the Elks Cerebral Palsy Clinic and the purchase of adequate medicine and specialized equipment for the treatment of those afflicted with it;

WHEREAS, the Elks Cerebral Palsy Project, Inc., has initiated such a campaign and should be lauded for undertaking the selfless task of sponsoring a drive to help unfortunate cerebral-palsied individuals, in which campaign it fully deserves the support of the government and the entire nation;

NOW THEREFORE, I, Carlos P. Garcia, President of the Philippines, by virtue of the authority vested in me by law, do hereby authorize the Elks Cerebral Palsy Project, Inc., to conduct a national educational and fund campaign during the period from May 1 to June 30, 1961; I call upon all citizens and residents of the Philippines, irrespective of race and creed, to support the humanitarian campaign by giving generously of their means to alleviate the miserable plight of these unfortunate individuals afflicted with cerebral palsy. PROCLAMATION NO. 786

PROCLAIMING THE EXISTENCE OF A STATE OF PUBLIC CALAMITY IN ALL THE CITIES AND PROVINCES THROUGHOUT THE COUNTRY

WHEREAS, the occurrence of seventeen (17) successive typhoons which visited the Philippines during the months of August and September and the early part of the month of October, 1960, and thereafter, caused widespread inundation, desolation and tremendous destruction to life and property among the people as well as great damage to agricultural crops, particularly rice and/or palay, corn, and sugar, in most of the central producing sectors of the country;

WHEREAS, as a result of the above-mentioned calamities Proclamation Nos. 713 and 716, series of 1960, were promulgated declaring different cities and provinces under state of public calamity, in view of the scarcity of commodities of prime necessity in the daily life of the people and to prevent excessive increase in their prices due to profiteering and hoarding by those who control the still existing supply of these commodities, threatening the people with famine and other disorders;

WHEREAS, the previous diversion of rice and sugar to the specified calamity areas to supply the needs of the inhabitants thereof has created a national vacuum and shortage, causing a continued excessive increase in their prices, notwithstanding the rice importation made by the NAMARCO, which is aggravated by hoarding and profiteering, thereby making it imperative that Immediate action be taken to cope effectively with the national crisis so as to avert panic and disorder in the country;

NOW, THEREFORE, I, Carlos P. Garcia, President of the Philippines, pursuant to the powers vested in me by Act No. 4164 of the Philippine Legislature, entitled "An Act to prevent excessive increase in the price of certain prime necessities of life on the occasion of a public calamity, penalizing the violation thereof, and for other purposes," and by the Constitution and existing laws, do hereby proclaim and certify the existence of a state of public calamity throughout the remaining cities and provinces of the Philippines not covered by Proclamation Nos. 713 and 716, series of 1960, and during its existence, it shall be unlawful for any person, firm, or corporation in all places within the Philippines to sell or offer for sale rice and/or palay, corn, and sugar at prices higher by twenty-five per centum (25%) or more over and above the average current prices of such commodities one month previous to the occurrence of such public calamity as may be determined by the Director of Commerce; and to aggravate the crisis by refusing for the purpose of profiteering to sell at the legal price or by hiding, concealing, or hoarding the goods or commodities for the same purpose;

The public order so requiring, I hereby order the Secretary of National Defense to seize all stocks of rice and/or palay, corn, and sugar and designate, for the City of Manila and suburbs, the National Rice and Corn Corporation in cooperation with the Armed Forces of the Philippines, and in the provinces and other chartered cities, the provincial, city, and municipal district treasurers, also in cooperation with the Armed Forces of the Philippines, to sell said commodities to the public. For this purpose, the Armed Forces of the Philippines is hereby authorized to call upon all law enforcing agencies of the government for such assistance as it may need in carrying out the provisions of this proclamation.

I hereby enjoin the Secretary of National Defense to see to it that the ceiling prices herein fixed are duly observed and that each deserving family head is afforded the chance to purchase rice and/or palay, corn, and sugar at said

prices for the absolute needs of his family. Persons violating this proclamation shall incur the corresponding liability and shall be dealt with according to law.
